SFD could potentially have this information in a contractor deliverable - though there may be privacy or CBI issues involved with this kind of information. I think an SFD assignment is appropriate.

Good Morning,
I wanted to check in before we assigned a FOIA we just received. The requester is asking for the following information:

“List of contractors and sub-contractors plus payroll totals for the year ending 2015 at the Hegler Zinc Superfund Site 0U3, Vermilion County, IL.”

Could you tell me between SF & AA, who would possess these records ? Thanks in advance for your help!
